4. Smt. Monisha Hembrom

Proceedings:

1. Research articles related to Women's Studies may be written by the members utilizing the data collected during the UBA 2.0 Household Baseline Survey conducted in the adopted villages by the teachers and students of the college. Smt. Hembrom was requested to collect the said data in consultation with Dr. A.K. Sil. Smt. Singh and Smt. Hembrom informed that data related to women's migration, health, occupation, self-help groups, and education system had been collected during the survey.
2. Dr. Santanu Chakraborty suggested that two or more papers be generated from the data collected.
3. It was unanimously agreed that the book collection of Women's Studies Unit may be used as "Reference Only" for the Staff of the college, if the unit is approached for the same.
4. A Students' Webinar may be arranged in the last week of September, 2021, on online mode, to encourage discussion on various issues related to Women's Studies. The topic of the seminar will be confirmed in due time. Abstracts will be invited (mid August- early September) for paper presentation by the students of UG and PG sections of the college. Prizes will be given to acknowledge outstanding paper presentations.
5. An online invited talk by an eminent personality in the field of women's studies may be arranged in the month of September.
