## ABOUT DOEACC (NIELIT)

### DEPARTMENT OF INFORMATION TECHNOLOGY, GOVT. OF INDIA & AICTE SCHEME

National Institute of Electronics & Information Technology (NIELIT) formerly DOEACC Society is an autonomous body of the Department of Information Technology, Ministry of Communications & Information Technology, Government of India with Headquarters at New Delhi. It is envisioned to bring the most updated global industry relevant computer education, within the reach of more and more in the areas of Information, Electronics and Communication Technology (IECT).

Realizing the wide gap in the availability of quality computer professionals to meet India's ambitious leadership plans in software exports, the society has revolutionized computer knowledge dissemination, by offering its curriculum through the non-formal sector. DOEACC Society is implementing a joint scheme of All India Council for Technical Education and Department of Information Technology (formerly Department of Electronics Government of India). The objective of the Scheme is to develop quality manpower in IT by utilizing the expertise available with the computer training institutes who are granted accreditation for conducting specified Levels of courses, subject to their meeting well-defined norms and criteria

## ABOUT DATA-Q

### FULLY ACCREDITED CENTER

DATA-Q, established in the year 1995, felt the need of various fields to be educated in computer science and Information Technology for successful exposure of challenging career opportunities in the corporate world and education spheres to meet the challenge of the twenty first century. Based on excellent track record of the institute since 1995, DATA-Q was granted accreditation by DOEACC for "O" level, "A" & B-Level (MCA) course in the year 2003, 2006 & 2014 respectively. As a result of a good job done since 2003, DATA-Q was inducted as an implementation partner in the Barasat Government College for "IT Education & Training", pioneered by the Department of Higher Education, Govt. of West Bengal. Later, around 2007 the Directorate of Higher Education extended the permission for conducting IT education in Bidhan Nagar College, Saltlake City for the benefit as well as quality IT education of aspirants from across the districts. The academic activities of this centre are fully controlled by a team of qualified academicians and IT Professionals. Prof. Dinesh Saha, former HOD, Department of Mathematics, Presidency College is the Chairman of the Academic committee. A qualified team of full time & part time faculties are always in the process of development of regular class notes and assignments based on the DOEACC's syllabus.
