**BELGHORIA, KOLKATA-700056**

## **Action Taken Report of the College Based on the Feedback Report for AQAR [2021-2022]**

Bhairab Ganguly College obtains feedback from the students using Google form on a regular basis. Students give their opinion on various aspects like coverage of syllabus in the classes, academic environment, quality of teaching, use of ICT tools in teaching-learning process, fairness of evaluation, administrative, sports, extra-curricular, recreational, hygiene-related facilities etc.

The IQAC of the college analyzed and interpreted the feedback obtained from the students for the academic session 2021-22 and made a report. Some suggestions were also received from the students. These suggestions were discussed in the meetings of the IQAC and some of the areas which needed attention were identified keeping the needs of the students in mind.

1. As a number of the students opined (in the student feedback form) that they are not satisfied with efforts made by college to inculcate soft skills, life skills and employability skills, IQAC decided to look into the matter. Two new soft skill programs on spoken English and basic Computer education will be started.
2. Students' feedback pointed to a demand for library infrastructure development and more extracurricular activities. An open reading room with textbooks arranged according to subject paper will be established in library for easy access.
3. Extracurricular activity clubs i.e. Photography, Cine, Literary, Debate, Music/Art, Dance and Performing Art clubs will be established. These clubs will arrange regular activities for students to participate.
