## TESTIMONIALS FROM STUDENTS ATTENDING THE COURSE

### General Duty Assistant (GDA) course

My Dear

**Bhairab Ganguly College**

In my three years at this college I had learnt many thing and have greatly improved my knowledge. The faculty provided me the best environment for my studies and our teachers were very helpful in every way they could.

Apart from studies I have done GDA course provided by our college. It was conducted by SPAN Ngo in their centre at Pramod nagar. The course duration was 3 months. As per my knowledge I can feel a lot more confident that I can stand on my own feet as there's a chance for getting internship opportunities. I appreciate the opportunity that college give me. I want to express my heartfelt gratitude to all the dedicated faculty members for making my academic journey truly memorable. The GDA course has been invaluable, equipping me with practical skills such as Catheterization, checking blood pressure, blood sugar level measuring and oxygen monitoring. Thank you all for your Support and guidance.

*Thank you*
