INTERNATIONAL CONFERENCE ON MULTIDISCIPLINARY RESEARCH METHODOLOGY & IPR ICMRM - 2023

About ICMRM 2023

ICMRM-2023 aims to provide a high-level knowledge forum for academicians, scientists, engineers, and educators those who are already in academics and interested in research ecosystem. The ICMRM-2023 is going to be a right platform for the researchers (M.Phil & Ph.D. and Master Degree level candidates), Post Doctoral Scholars, Academicians, Scientists as the theme combines both Multidisciplinary Research Methodology and Intellectual Property Right. The platform of ICMRM-2023 is suitable for the new budding researchers who have interest in research program. As a whole ICMRM-2023 is going to be an event for the following delegates—

- M.Phil. & Ph.D. Candidates in different fields (Arts, Science, Commerce, Technology)
- Post Doctoral Scholar/ Students in different fields (Arts, Science, Commerce, Technology)
- Young and Interdisciplinary Academician/ Faculty members different fields (Arts, Science, Commerce, Technology)

About College

Bhairab Ganguly College, Kolkata, an esteemed academic institution (NAAC 'A' Accredited) in the cultural map of West Bengal was established on 3rd September, 1968. The aim of the college is to bring to light the inherent qualities of budding learners, to enlighten the human values and to convey the benefits of higher education to those untouched by the gifts of progress. The excellent faculty of this institution always tries to reach the have-nots and light the candles of hope, joy, justice, harmony and freedom.

Call for Book Chapters

All authors are kindly encouraged to contribute to and help shape the book through submissions of their research papers. Thus, high quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Pure, Bio & Applied Sciences, Social Sciences, Humanities, Library & Information Sciences, Engineering & Technology are cordially invited to submit their chapter.

Students, Researchers, Faculty members and Industry persons are invited to submit on or before October 5th, 2023, a chapter proposal of 2,000 to 3,000 words clearly explaining the mission and concerns of his or her proposed chapter. Full chapters are expected to be submitted by November 05th, 2023.

All submitted chapters will be reviewed on a double-blind review basis.

Important Dates

Last date for Submission of Abstract:	5th October 2023
Last date for submission of full paper:	5th November 2023
Acceptance of the paper:	30th November 2023

The International Conference on “MULTIDISCIPLINARY RESEARCH METHODOLOGY & IPR 2023” (ICMRM – 2023) was organized by Research & Development Cell (RDC) and IQAC of Bhairab Ganguly College, India & Swami Vivekananda University, India in Association with Azteca University, Mexico. The conference was initiated in September 2023 and an 8 member executive committee was formed from the two collaborating HEIs along with members from Azteca University. The executive committee identified subject expertise globally, took approval of their willingness to support the conference, and formed an advisory board comprising of 19 members and a scientific committee with 20 members.

The main aim of this conference was to bring together leading academicians, researchers, technocrats, practitioners, and students to exchange and share their experiences and research outputs on all aspects of Research Methodology across all disciplines. It was also meant to provide a premier interdisciplinary platform to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the field of Science & Technology, Bio & Interdisciplinary Sciences and Humanities & Social Sciences.

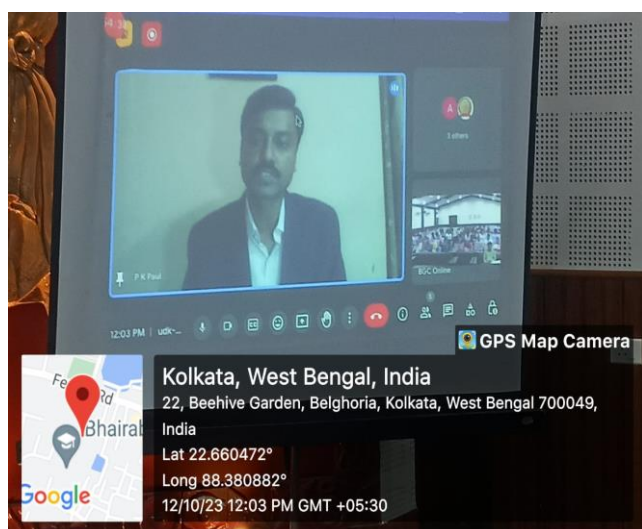

The committee finalized three themes that included MULTIDISCIPLINARY RESEARCH METHODOLOGY & IPR. The conference preparations started with the call for abstracts; 123 abstracts were accepted. The next step was the call for papers, and out of 123 papers submitted by authors, 76 were accepted for oral presentations and 47 for poster presentations.

Inaugural Session: Prof. S. Som, Principal of BGC & Conference general Chair delivering the welcome address, Release of the Book of Abstract of ICMRM-2023, Felicitations of Prof. J.K.Mandal, Address by Special Guest Prof. D.P.Mukherjee, Asst. Director, ISI Kolkata, Address by Dr. R. Saavedra, Chair & Director, International Program, Azteca University, Mexico & Dr. D. Bhadra Convenor, R & D Cell of Bhairab Ganguly College & Conference Chair to address the gathering regarding the conference.

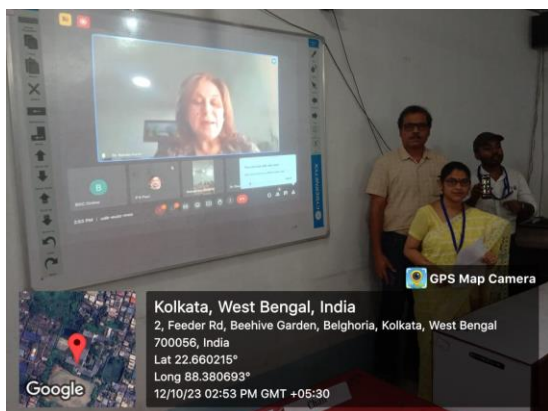

This summary captures the two-day program of presentations and invited lectures, which took place from the 12th to 13th October 2023. The event brought together some 20 plus research scholars, 40 members of faculty, about 60 UG & PG students, and key officials nationally and internationally to discuss the recent advances in Reesrach Methodology. It concluded with a set of presentations of real-world cases describing new and noteworthy initiatives relevant to the conference theme.

The first day of the conference started with an inaugural session with a welcome note and conference overview by Prof. S. Som, General Chair of ICMRM 2023 and Dr. D. Bhadra, Chair. This was followed by the Presidential Address by Prof. D. P. Mukherjee, Assistant Director, ISI Kolkata. Felicitations were given to Prof. J. K. Mandal, Former Vice-Chancellor, Raigunj University, Prof. D. Bandopadhyay, Visiting Prof. ISI Kolkata, Dr. T. Rudra, Former Pro VC and Prof. S. Som, Principal, BGC. The release of the Book of Abstract was carried out by all the dignitaries in the dias along with Dr. D. Halder, Coordinator, IQAC, Dr. S. Pal & Mr. S. Sarkar, Convenors of the conference & Dr. S. Dewan, Conference Secretary of ICMRM-2023.

Inaugural Session: Dr. P.K.Paul, Conference Co-Chair addressing the gathering Prof. Som during Welcome address, Group photograph of organizing team of ICMRM and lighting the lamp ceremony

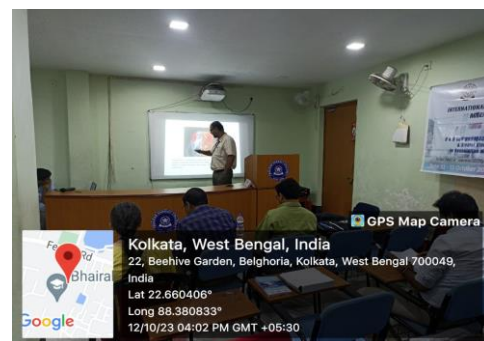

The first technical session started with an invited lecture by Prof. J. K. Mandal, Professor of Computer Science, University of Kalyani, Former Vice-Chancellor, Raiganj University. He talked on “*Research: Methodology*”

reporting and compliance to enhance the standard of publications”. Prof. Debaprasad Bandyopadhyay, Professor (honoris causa) of Linguistics, La Filológica Por La Causa (USA/MEXICO), Visiting Professor, ISI Kolkata, India elucidated on Plurimethod(s): Research Methodology during the Anthropogenic Global Heating in the 2nd talk. Dr. Anindita Chakraborty, Scientist-G, Radiation Biology, UGC-DAE Consortium for Scientific Research UGC-DAE-CSR, Kolkata Centre, India has given a lecture on “Cell Dynamics in Response to Ionizing Radiation”. In the final talk was delivered by Dr. Randa Hariri, Chair, Education Department, Dar Al-Hekma University Jeddah, Makkah, Saudi Arabia on Artificial Intelligence & Intelligent Systems: Towards Better Learning and Teaching in online mode. In the second day lectures were delivered by Prof. Gautam Gangopadhyay, Professor, Department of Physics, University of Calcutta on “Research Methodology in Natural Sciences: Some Personal views and Experiences”, Prof. Kausik Bandyopadhyay, Professor, Department of History, West Bengal State University on “From Research to Publication: Historical Methodology and the Social Sciences”, Prof. Agnidipto Tarafder, Professor, Jindal Global Law School, Haryana on “AI and Copyright: Whose intellect, whose property?” and Dr. Soumyananda Dinda, Professor, Department of Economics, University of Burdwan on “Research Methodology in Social Science”. Each lecture was followed by Q & A session with the participants. Highly enriching discussion of the relevant topics were conducted to percolate domain knowledge among the students in particular.

The two-day conference comprised of eight technical sessions, some of them scheduled concurrently. The theme, Multidisciplinary Research Methodology, was divided into three sessions in order to accommodate the large number of presentations both in oral and poster mode. Each session had a Chair and Co-chair, who were experts in the domain. Each author was given 6 minutes for the paper presentation, which was followed by question and answer session for 2 minutes. The conference was structured to foster discussion between participants.
