**UG & PG
Prospectus
2023-24**

Preface

Bhairab Ganguly College hereby presents its annual prospectus for the session 2023 - 24 with the intention of availing the newly admitted students of the essential information regarding the institution and the offered UG and PG courses. Special care has been taken to present all the dimensions of the institution including departmental profiles, staff details, campus facilities, committee details, extra-curricular activities and special achievements in the most palatable way possible. With the newly emergent need for prioritizing the accessibility of all the college staff, all their contact details have been appended in due places. The path of struggle and glorious achievements that has led to the present glory has been well documented to get the students acquainted with the heritage they now become a part of. The constraints of the pandemic have compelled the institution to prepare the soft copy of the prospectus only. With the possible improvement of the situation, however, one can hope to bring back the hard copy with its ineffable charm in the sessions to come. Presently the prospectus aims to serve as a token for all the dreams the institution has realized, as well as the ones it strives to turn into reality.

Mission & Vision

Mission: Our mission is to develop a symbiotic relationship between the institution and society at large by providing the students with an environment conducive to the all-round development of their intellectual, aesthetic, spiritual and social abilities. The seminal objective is to instill self-confidence, integrity, honesty, social responsibility and a spirit of adaptability to global changes among the students to help them to learn, grow and evolve to realize their aspirations.

Vision:

'Arise, awake and stop not till the goal is reached'

- Swami Vivekananda

The goal of Bhairab Ganguly College is to impart value-based quality education which will enable our students to hone their academic competence and fine-tune their aesthetic sensibility towards building a holistic culture.

We are relentlessly working towards

- 4making our college one of the most sought-after educational institutions at the state and national levels.
- 4providing efficient training according to the changing demands of society.
- 4ensuring an open, secular and democratic intellectual environment in which students from all cross-sections and strata of the society can freely exchange their views and build themselves up to function not only as responsible individuals but also efficient and conscientious members of society.

Inception

Bhairab Ganguly College is an important academic institution situated at the northern fringe of the Kolkata metropolis, in the north of Dunlop bridge nodal point. The college is located at the core of Kamarhati Municipal area with Barrackpore Trunk Road in the west and Sealdah Main Section railway track in the east. It is well-connected by bus and rail routes. The college was established on 3rd September 1968 with a vision to open a gateway of higher education for the youth of the locality. It turned out to be a distinguished landmark of higher education. Sri Jibandhan Ganguly, a renowned social worker, philanthropist and educationist, along with some local educationists, approached the then Government of West Bengal in 1955 to establish a Degree College on eleven bighas of land, to be contributed from his ancestral property. The Government of West Bengal accepted the proposal, acquired the land along with fourteen bighas of vested adjacent lands and proceeded with the construction of the college. The college was named after Late Bhairab Ganguly, the great grandfather of Sri Jibandhan Ganguly. It became a Government sponsored college and was recognized under section 2(f) and 12 (b) of the UGC Act. Bhairab Ganguly College started its journey with twenty one students and four teachers. The Arts section of Ramkrishna Mission Vivekananda Centenary College was merged with this newly established college and a good number of experienced teachers joined the new educational institution at Belgharia enhancing the faculty strength of the college.

From the Desk of the President of the Governing Body

In this constantly changing world, education has positive implications for the world's most pressing problems. Since its inception in 1968, Bhairab Ganguly College has been playing a leading role in spreading knowledge in the north suburban locality of Kolkata metropolis. The Governing Body and the teachers of the college are committed to impart value-based quality education to its students to accomplish its vision and mission.

Beginning with twenty-one students and four teachers, it has now become a premier institute offering a wide array of courses in science, humanities, and commerce to nearly 5000 students. It is a matter of pride that the college was reaccredited with Grade-A in the second cycle of NAAC visit in 2016. By virtue of its dedicated scholarly pursuits, much have been achieved in this short journey of fifty years. But still, certain avenues need further exploration and together we will strive to take our college to a new height.

Sri Tapas Roy
President, Governing Body
Bhairab Ganguly College

From the Desk of The Principal

Principal is a very respectable position as we all know. So today when I have been vested with this rank, I take this opportunity to express my ideas about this position.

I feel that no matter whichever rank or position each one of us belong to, we must always be able to revere every person's dignity with respect, regards, trust, joy, empathy, cooperation and with our deeds/action. I feel only then will these worldly ranks be elevated to spiritual perspectives. If our actions, principles, judgements, and feelings be correct, then of course we will learn to respect each other. And to uphold this position, the teachings given by you must be exercised repeatedly.

If we can see every human being as our own soul form, only then can we give him/her the due respect.

If I can retain the trust of everything which means crystal transparency, I will be able to trust everybody.

If we can receive satisfaction/ pleasure with proper judgement of every situation then surely, we will feel the joy and oneness for everybody.

If we can judge each-others' conditions as our very own, then readily we will feel the empathy for everyone.

If I can think every colleague as my essential organ, then of course we will have a cooperative mentality.

And if I can perform every work void of the sense of ego, I will surely be transformed into an honest employee.

Prof. (Dr.) Subhranil Som
Principal
Bhairab Ganguly College

UG Admission

The West Bengal State University provides following three undergraduate programmes w.e.f. the academic session of 2023-24 under the Curriculum and Credit Framework for Undergraduate Programmes (CCFUP) based on NEP 2020.

Single Major programmes :

- (i) 4-year Bachelor's degree (Honours) with Major in the field of Arts/Science/Commerce/Management (8 semesters with min. 180 Credits).
- (ii) 4-year Bachelor's degree (Honours with Research) with Major in the field of Arts/Science/Commerce/Management (8 semesters with min. 180 Credits). Students need to complete a research project of 15 credits in areas of their Major discipline in the 4th year of studies.

Multidisciplinary programmes :

- (iii) 3-year Bachelor's degree with Multidisciplinary programme of studies in Life sciences/Physical sciences/Mathematical & Computer sciences/Social sciences/humanities/Commerce & Management (6 semesters with minimum 125 credits).

Eligibility Criteria:

A candidate taking up Honours in a subject must have obtained:

- ▶ A minimum of 50% marks in the aggregate and 45% marks in the subject or related subject at the previous qualifying examination.

OR

55% marks in the subject or related subject in the previous qualifying examination

OR

50% marks in the aggregate when the candidate has not studied the subject in his/her previous qualifying examination provided all other clauses are satisfied

- ▶ Candidates belonging to the Scheduled Caste or Scheduled tribe category must have obtained 40% marks in the aggregate and 40% marks in the subject/related subjects at the previous qualifying examination (10+2 level) for being eligible for admission in the Honours programme of study.

Candidates from other Boards :

- ▶ Students, who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils or State Boards/Councils including Open Schools and vocational studies, are eligible for study at the UG level.
- ▶ Students who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) are not required to submit the Migration Certificate for getting Registration under this University.

Choice of Courses

- ▶ 4-year UG (Honours/Honours with Research) Course of Studies:

Candidates will have to choose a single major discipline and any two minor disciplines

along with the requisite numbers of AEC, SEC, MDC & VAC along with internship as shown in Table 1 & 2. The combination of major and two minor disciplines for the students admitted in 4 year UG (Honours/Honours with research) will be decided by the concerned college.

► 3-Year Multidisciplinary Undergraduate (UG) programme of study:

MA: Core course from discipline 1, MB: Core course from discipline 2, MC: Core course from discipline 3.
 Credit (5) distribution: (a) Lab-based Courses: L = 3, T/P = 2, (b) Non-Lab based Courses: L = 4, T/P = 1
 © field-based courses: P = 5, (d) Music as a Major/Minor discipline, credit distribution: L = 1/2, P = 4/3

Major and Minor disciplines:

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.

Minor discipline helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of [18] credits from a bunch of courses in Statistics, then the student will be awarded B.A. degree in Economics with a Minor in Statistics.

In addition to major and minor disciplines, a student admitted in the 4-year Undergraduate programme (Hons./Hons. with research) has to take the following courses as shown in Table 1 & Table 2.

Multidisciplinary Course (MDC) :

All UG students are required to undergo 3 introductory-level courses.

Students will be asked to choose 3 different MDCs for 3 semesters.

Ability Enhancement Course (AEC):

Students are required to achieve competency in a modern Indian language and in the English language with special emphasis on language and communication skills.

Skill Enhancement Course:

These courses are aimed at imparting practical skills, hands-on-training, soft skills to enhance the employability of the students.

Each of the AEC and SEC courses shall carry 3 credits. Students are required to choose three SEC courses from a pool of courses in their 4th, 5th and 6th semester of study. In AEC, they have to study three courses (each of 3 credits) of either English or modern Indian language (MIL) in their 1st, 2nd and 3rd semesters of study.

Value Addition Courses (VAC):

These are courses that will help develop all capacities of human beings intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Each of these courses carries 3 credits. The college will choose one out of the three VACs offered by the university as mentioned hereunder.

- (a) Environmental Studies
- (b) Introduction to Cyber Security
- (c) Value of Yoga and Meditation in Life

Students will be required to pursue or study two value-added courses (VAC) each of 3 credits in their 1st and 2nd semester.

Internship:

A course requiring students to participate in a professional activity or work experience, or cooperative educational activity with an entity external to the educational institution, normally under the supervision of an expert of the given external entity. A key aspect of the internship is induction into actual work situations. Internships involve working with local industry, government or private organizations, business organizations, artists, crafts persons, and similar entities to provide opportunities for students to actively engage in on-site experiential learning.

The student has the option to complete a 2-credit summer internship in a lab, industrial organization, R & D lab, or through community engagement, NSS, NCC as organized by the college. The student must complete a 2-credit summer internship by his/her 5th semester of study.

Final year Research Project / Dissertation:

A student selected for pursuing 4-year Honours with Research programme is required to complete a research project and submit a dissertation to the University for examination and evaluation in the 8th semester. This research project/dissertation work carries 15 credits.

UG Certificate: Students who opt to exit after completion of the first year and have secured 54 credits (Table 1, 1A) or have secured 42 credits (Table 2) will be awarded a UG certificate if, in addition, they complete one vocational course of 4 credits or a 4-credit work-based learning/internship/apprenticeship during the summer vacation of the first year. These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven years.

UG Diploma: Students who opt to exit after completion of the second year and have secured 98 credits (Table 1, 1A) or have secured 84 credits (Table 2) will be awarded the UG diploma if, in addition, they complete one vocational course of 4 credits or a 4-credit work-based learning/internship/apprenticeship during the summer vacation of the second year. These students are allowed to re-enter within a period of three years and complete the degree programme within the maximum period of seven years.

3-year UG Degree: Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years, securing 142 credits (Table 1, 1A) which includes 4-credit of summer internship/apprenticeship.

3-year Multidisciplinary UG Degree: Students who wish to undergo a 3-year Multidisciplinary UG programme will be awarded UG Degree (B.A./B.Sc./B.Com.) after successful completion of three years, securing 130 credits (Table 2) which includes 4-credit of summer internship/apprenticeship.

4-year UG Degree (Honours): Students who wish to undergo a 4-year UG programme (Honours) will be awarded UG degree (Honours) after successful completion of a four year degree programme with 182 credits (Table 1) which includes 4-credit of summer internship/apprenticeship.

4-year UG Degree (Honours with Research): Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. The students who secure 187 credits, including 15 credits from a research project/dissertation (Table 1A), will be awarded UG Degree (Honours with Research).

Awarding UG Degrees :

► 4-year UG Degree (Honours): A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 180 credits and have satisfied the credit requirements as given in Table 1. Candidates who intend to continue in the 4-year UG programme have two options.

► The candidates who have not secured 75% marks in each of the Semester (out of the first six semesters) over the period of first three years of his/her study are eligible for obtaining a Bachelor degree (Honours) in his/her major discipline. Such candidates must secure 15 additional credits in his/her major (Core) paper to be awarded a Bachelor degree (Honours) in his/her major discipline. i.e., Candidates must secure 105 credits in his/her major (Core) discipline out of the total 180 credits to obtain a Bachelor degree (Honours) in his/her major discipline. (See Table 1)

► The candidates who have secured 75% marks in each of the Semester (out of the first six semesters) over the period of first three years of his/her study are eligible for obtaining a Bachelor degree (Honours with Research) in his/her major discipline. Such candidates must secure 90 credits out of the total credits of 180 from discipline-specific major courses (Table 1) and also needs to secure 15 credits through a Research project to be awarded a Bachelor degree (Honours with Research) in his/her major discipline. They should do a research project or dissertation under the guidance of a faculty member of that college. The research project/dissertation shall be in the Major discipline. Such candidates must submit a Thesis/Dissertation to the University for evaluation followed by a Viva-Voce examination. The concerned candidate must score 150 or above out of the 300 marks allotted for Research/Dissertation work to pass or qualify for being awarded the degree of UG Honours with research in his/her major discipline.

► 3-year UG Degree with Major: A student admitted in a 4 years Honours programme may exit after the 3rd year after completing 6 semesters (135 credits, 70 credits from Major and 30 credits from Minors) with 3-year UG degree with a Major. Such a student will also have the option to rejoin within seven years and complete the course.

► 3-year Multidisciplinary UG Degree: A student may also opt for a 3-year multidisciplinary UG degree by securing a total credit of 125 (See Table 3) with 30 credits from each of the three disciplines.

▶ **Seminars and Special Lectures:** A special lecture was organized on 3rd December 2022. Speaker was Dr. Sandip Jana, Associate Professor, Department of pure mathematics. Topic was "Motivation to Real Analysis". The department also organizes students' seminars as a part of their academic activities.

▶ **Freshers' Welcome and Students' Farewell:** Cultural programmes are organized each year to welcome the newcomers and to bid farewell to the final year students.

Students also celebrate Teachers' Day in the department every year.

Department of Physics

Chronology:

1969: Introduction of General Course

1990: Introduction of Honours Course

Faculty:

- ▶ Dr. Tapas Mukherjee, M.Sc., Ph.D., Associate Professor; Specialization: Spectroscopy
- ▶ Dr. Tuktuk Sur, M.Sc., Ph.D., Associate Professor; Specialization: Nuclear Physics
- ▶ Dr. Sahana Chakraborty, M.Sc., Ph.D., Associate Professor; Specialization: Condensed Matter Physics
- ▶ Dr. Rena Majumdar, M.Sc., Ph.D., Associate Professor; Specialization: Spectroscopy
- ▶ Dr. Debabrata Bhadra, M.Sc., Ph.D., Assistant Professor Specialization: Condensed Matter Physics
- ▶ Sri Shirsendu Sarkar, M.Sc., Assistant Professor; Specialization: Applied Optics, [In-Charge]

Non Teaching Staff:

- ▶ Sri Sukhdev Pradhan, Laboratory Attendant
- ▶ Sri Sukanta Sarkar, Laboratory Attendant [Deputed to Physical Education Department]
- ▶ Sri Dipak Ram, Laboratory Attendant

Departmental Activities:

- ▶ **Webinars, Virtual Conference &**

Special Talks:

- ▶ **International Webinar on "COVID 19: Impact, Preventive measures and Best Practices"** with Paper presentation in virtual mode. (64 Abstracts, Two Book Chapters published)
- ▶ International Conference on "Recent Trends in Basic and Applied Sciences"
- ▶ International Webinar on Plasma physics
- ▶ State Level Webinar on Electrical Signals, Electronics & Instrumentation
- ▶ International Webinar on Biophysics
- ▶ International Webinar on Machine Learning
- ▶ National Webinar on Cosmology
- ▶ Special lecture on Special Theory of Relativity
- ▶ The students won Best Poster Award at the Celebration of National Science Day 2020 organized by East Calcutta Girls' College (Theme: Women in Science)

- ▶ Students actively participated in the Inter-departmental Quiz competition and Wall Magazines
- ▶ Career counseling sessions conducted for National Level M.Sc. Entrance Examinations by Alumni of the Department
- ▶ Mentor-Mentee meetings, Career guidance and Online Examinations
- ▶ Online Students' Seminar and parent-teacher Meeting are arranged every session

Chronology:

1969: Introduction of General Course

1994: Introduction of Honours Course

Faculty:

- ▶ Dr. Gopal Chandra Giri, M.Sc. (Gold Medallist), Ph.D., Associate Professor
- ▶ Dr. Rajesh Koner, M.Sc., Ph.D., Assistant Professor
- ▶ Dr. Suparna Guha, M.Sc., Ph.D., Assistant Professor
- ▶ Dr. Avijit Sarkar, M.Sc., Ph.D., Assistant Professor [In- Charge]
- ▶ Dr. Shubhendu Dhara, M.Sc., Ph.D., Assistant Professor
- ▶ Dr. Samit Majumder, M.Sc., Ph.D., Assistant Professor
- ▶ Sri Sagnik Ghosh, M.Sc., SACT

Non-teaching Staff:

- ▶ Sri Susanta Pal, Laboratory Attendant
- ▶ Sri Tanmoy Ganguly, Laboratory Attendant

Infrastructural Facilities: ▶ **Library:** The departmental library has many reference and textbooks to cater to the needs of the students.

▶ **Laboratory:** The department is equipped with a well-organized laboratory for all the three specializations (Organic, Inorganic, Physical) in Chemistry. Modern instruments and varied stock of chemicals are available which the students can handle freely under the supervision of experienced teachers. ICT enabled class room encourages innovation in the teaching-learning process.

▶ **Research Activities:** The department is now actively pursuing research, embracing both basic and applied areas of Chemistry. The faculty members are encouraged to get involved in sponsored research projects. The department has appreciable strength in

the areas of physical, organic and inorganic Chemistry as well as in interdisciplinary research areas with Physics, Biology and material science. All the faculty members have active linkages with different institutes to carry out their research activities.

► **Freshers' Welcome:** The department organizes Freshers' Welcome each year to provide a platform for interaction amongst the students.

► **Wall Magazine:** With guidance from the teachers, the students contribute articles to the departmental wall magazine exhibiting contemporary topics of the subject.

National Service Scheme (NSS)

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It is aimed at developing students' personality through community service.

The volunteers of the NSS Unit have to take part in various regular and special camps so that growth of personality and improvement of team building and organizational skills may develop among the NSS volunteers. These also results in greater bonding & cooperation among the NSS volunteers. The volunteers of the NSS Unit of Bhairab Ganguly College take part in various social outreach programmes, viz., visit to old age homes and orphanages, blood donation camps, illiteracy eradication programmes, tree plantation, Thalassemia awareness and screening test, campaigning against use of cigarettes and tobacco products by awareness rally, eye testing camp, awareness programmes on disaster management, gender sensitization, HIV, AIDS and mosquito-borne diseases etc.

The NSS Unit of the College together with the Community Welfare Project named 'SRIJAN' has been working relentlessly for the upliftment of the Prantik Nagar slum (formerly Panjavila Basti; Ward No: 24, Kamarhati Municipality, North 24 Parganas), the adopted slum of the NSS Unit.

Enlistment of volunteers against their applications is usually done at the beginning of each session on first come first served basis. Certificates signed by the Vice-Chancellor, W.B.S.U., NSS Coordinator, W.B.S.U. and the Principal of the college are issued to the volunteers participating in regular as well as special camps organized by NSS Unit of the college.

Social Outreach Programme

About the Unnat Bharat Abhiyan 2.0 programme: Bhairab Ganguly College has adopted the Unnat Bharat Abhiyan 2.0 programme initiated by the Ministry of Human Resource Development, Govt. of India. The programme is inspired by the vision of transformational change in the processes of rural development by leveraging higher educational institutions to help build the architecture of an Inclusive India. The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying region-specific challenges to development and evolving appropriate and realistic solutions for accelerating sustainable growth. It also aims to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

Objective of the programme:

The college aims to facilitate the overall development of the adopted villages by combining knowledge and training. The solutions designed will cater to the immediate and long-term needs of the villages by making the villagers self-reliant through knowledge and practice.

Adopted villages:

The college has resolved to make the following adopted villages self-reliant through knowledge and practice:

- ▶ Bagdiha, Ranibandh Block, Bankura district
- ▶ Chaltha, Ranibandh Block, Bankura district
- ▶ Kalyam, Ranibandh Block, Bankura district
- ▶ Makhnu, Ranibandh Block, Bankura district
- ▶ Ledapakur, Ranibandh Block, Bankura district

Preliminary Meeting with G.P. Members:

On 15th December 2018, we had a preliminary discussion with the G.P. members of the 5 adopted villages to discuss the issues faced by them. The members welcomed our efforts to interact and were more than willing to share with us the issues/problems faced by the local people of the villages.

Goals:

Certain areas needing our sustained efforts have been identified, these include:

- ▶ Construction of metalled roads

- ▶ Installation of solar power generation units for street lights and farming equipment
- ▶ Rainwater harvesting systems
- ▶ Water resource management
- ▶ Digitalization in schools (Computer literacy centre and internet connectivity)
- ▶ Instituting tailoring and handicrafts training units (initiatives for self-employment and entrepreneurship development)
- ▶ Encourage the literacy of adult women villagers
- ▶ Awareness training programme for community health and sanitation

Recent Activities in the adopted village :

COVID-19 crisis (First Wave):

Masks were distributed among the villagers of the five adopted villages and awareness was spread among them regarding the symptoms of the disease. An extensive list of dos and don'ts was explained to them by the local Gram Panchayat Mukhia.

Our college took the initiative of distributing 600 kgs of rice and other food items among the needy tribal community of the villages to support nearly 200 distressed tribal people during the lockdown.

Solar Light Illumination:

Members of the college visited one of the adopted villages, Bagdiha, to distribute 40 solar lanterns to the school-going children of Bagdiha Primary School. These lanterns were distributed using the funding provided by UBA 2.0 programme under the category of technology customization. The objective behind this action was to illuminate the homes, which are deprived of a basic amenity, that of an electricity connection, in order to facilitate an environment conducive to the study hours necessary for school-going children in the village. Since most of the households have atleast two to three school-going children, the college could enhance technology customization

by two to three times. The action was very warmly received by the households, especially school children who became the direct beneficiaries of this action. The photographs bear testimony to the success of the event. The college looks forward to receiving such funding support from the UBA 2.0 for proper implementation of this plan in the other villages under the adopted village cluster as well.

Survey for Gram Panchayat Development Plan (GPDP) Study :

The college has scheduled its preliminary survey of the villages from 16th to 18th January, 2019. A group of dedicated teachers and students will interact and collect data meticulously for Gram Panchayat Development Plan (GPDP) study and need assessment. Keeping in mind, the specific needs of the indigenous community in the villages, the survey will focus upon providing sustainable, innovative, cost-effective and implementable solutions to address the issues faced by the villagers.

Social Outreach Programme during COVID-19 Pandemic:

The college contributed generously to the COVID-19 relief fund. A flex banner displaying the symptoms of COVID-19 and the measures of prevention complying with WHO guidelines was displayed at the main gate of the college to spread awareness among the local community. COVID-19 screening app was made by the Computer Science department of the college and circulated through Google forms.

As a part of our community outreach program, the NSS Unit of Bhairab Ganguly College distributed grocery items (rice, daal, mustard oil, atta etc.) among 60 families of Prantik Nagar (the adopted slum of our NSS Unit) on 18.10.2020. Our Vice-Principal, Bursar, Dr. Sahana Chakraborty and many non-teaching staff and NSS volunteers of our college were involved in this endeavour to express our solidarity during the economic crisis we are currently experiencing during this COVID-19 pandemic.

COVID-19 Relief Fund for the Students:

Bhairab Ganguly College, as per its persistent reputation of lending its helping hand to those who need it, has recently decided to raise a COVID-19 Relief Fund to help its underprivileged students within its limited capacity. With the enthusiastic participation of all the staff, the institution has been able to provide need-based monetary assistance to a large number of students for purchasing medicines, recharging their smartphones for continuing their online classes and for procuring some other basic amenities of life, on the basis of online applications received from them. This noble initiative will definitely ensure a more sustaining teaching-learning ambience during the dark days of COVID-19 Pandemic.

Outreach Activity - 2021 - 22

On 23.04.2022, the College in its outreach drive, has arranged Learning Facilities for students of village Kuliam and Bagdiha, Bankura. It is an extension of our outreach programme started in the year - 2018 onwards.

In another occasions, as a part of outreach activity, College has shouldered to bear education expenses' of 18 meritorious and financially weak students from 9 neighbouring High Schools up to their Graduation Level. On 07/05/22 a programme was organised to commemorate this endeavour in the College.

Introduction:

Following the visit of NAAC Peer Team in the First Cycle and to carry out, the recommendation, three Post Graduation Sections have been established with the guidance of West Bengal State University, in the academic session 2009-10, namely, Commerce, English and Geography. Later on, following the recommendation of the West Bengal State University, Post-Graduation Course in Urdu was introduced in the academic session 2012-13. Every department is well equipped with departmental libraries and ICT enabled teaching-learning methodologies. The main strength of each department is the excellent guidance given by the in-house faculty as well as the resource persons invited from different colleges, universities and professional fields. All the departments are running successfully and many of our pass out students have placed themselves in the field of academics as well as in the industry.

Department of Geography

About the Department: The department of Geography was initiated as a General course department in 1980 and Honours course was introduced in 1983. With more than twenty five years of experience as an Honours department, the faculty members of the department aspired for a Postgraduate course to extend the scope of education in Geography, as well as to create a scope for research in the department. West Bengal State University sanctioned the Postgraduate course in Geography in the year 2009. The course is divided into four semesters and has an intake capacity of thirty two seats. The statement of marks is awarded by West Bengal State University.

The course includes a number of assignments, project works and seminar presentations. Moreover, holding of seminars and colloquiums enriches the knowledge of the students. The orientation of the course has been arranged with an eye towards the development of Modern Geography. The medium of instruction and teaching is English.

At present, one senior Associate Professor, three Assistant Professors and one Contractual Whole time Teacher (Govt. Approved) are there in the department. Resource persons from Calcutta University, Presidency University, Bidhan Chandra Krishi Viswavidyalaya and Rabindra Bharati University are invited to deliver lectures.

Department of English

About the Department: The department of English began functioning since the inception of the College on 3rd September, 1968. Over the years, the department has progressed at a fast pace in terms of the number of students and enriched academic and research activities. The immense potential of the department was acknowledged by the NAAC inspection team, which suggested

the introduction of P.G. course in English. Accordingly, the department applied to West Bengal State University for the introduction of the P.G. Course. The department was duly granted permission for the same and has been successfully running the P.G. Course in English since the academic session of 2009-10.

The department conducts, on a regular basis, seminars and conferences to encourage critical thinking among the students. In 2018, the department organized two lecture-workshops on "Translation and Translation Studies" (Resource persons: Prof. Amitava Roy, Professor (retired), Rabindra Bharati University, and Prof. Suchorita Chattopadhyay, Professor, Jadavpur University) and "How to Write a Research Paper" (Resource person: Prof. Chidananda Bhattacharya, Professor, Rabindra Bharati University). These endeavors have resulted in enriching experiences for the undergraduate as well as postgraduate students.

To commemorate the 450th birth anniversary of William Shakespeare, the department successfully arranged a students' seminar to facilitate critical enquiry into Shakespearean Drama. Additionally, the department staged dramatic enactments of Shakespeare's Macbeth and Twelfth Night in the Third Theater Mode (open-air stage). The department publishes an annual wall magazine, "Harbinger", and is the proud recipient of the 'Best Wall Magazine' award consecutively in 2016 and 2017. The department also organizes Special Lectures on relevant topics from time to time delivered by eminent faculty. The department has successfully organized special lectures on "Feminism and Feminist Literary Readings" delivered by Prof. Swati Ganguly of Visva-Bharati, Santiniketan, on "An Overview of American Literature", delivered by Dr. Tania Chakraverty, P.G. Coordinator, Department of English, Shri Shikshayatan College, and on "How Anti-sentimental is The Rivals as a Comedy?" delivered by Prof. Sukanya Sanyal, Department of English, Thakurpukur Vivekananda College. The department is also credited with the publication of fifteen best dissertation papers in the monograph entitled, "Revelations". regular exposure to such enthralling lectures have indeed enriched the critical skills of our P.G. students. Consequently, they have been immensely benefitted in selecting their future areas of research work and performing in NET/SET Examinations.

Nadine Gordimer (1923-2014)

2023 marks the birth centenary of Nadine Gordimer, the famous literary figure. Nadine Gordimer (1923-2014) was born into a privileged white middle class family in Transvaal (now Gauteng), a mining town outside Johannesburg. Since early childhood, she witnessed the oppression of the Black majority in the hands of the white minority in South Africa. Her childhood in the mining town of Springs outside Johannesburg exposed her to the gaping difference between the downtrodden existence of the Black workers and the privileged lives enjoyed by their white masters.

She records her experiences as a white struggling to free herself from racial prejudices in her first novel *The Lying Days* (1953). She was influenced by Nelson Mandela's lifelong anti-apartheid activism and she was the first person he met upon his release from jail in 1990 to express his appreciation for her novel *Burger's Daughter*.

Her works, including *The Late Bourgeois World* and *Burger's Daughter* were serially banned by the Apartheid regime, a system of institutionalized racial segregation that existed in South Africa and South West Africa (now Namibia) from 1948 to the early 1990s. Recognition of her lifelong political activism against Apartheid and its devastating effect on the lives of South Africans came in the form of the Nobel Prize for Literature in 1991. Gordimer was the first South African to win this prestigious award. This year marks the birth centenary of Gordimer, one of the most powerful voices of protest in the apartheid era.

Mrinal Sen (1923-2018)

2023 marks the birth centenary of Mrinal Sen (14th May 1923 – 30th December 2018), one of the spearheads of the New Wave cinema of eastern India, and globally considered as one of the finest Indian filmmakers. He was neither versatile like Satyajit Ray nor were his films painted with the pathos of Bengal's partition like the cinema of Ritwik Ghatak. Yet the maestro had his own benchmarks in comparison to his illustrious competitors. He devised a style of film making never seen before, making path breaking experiments. He made an audience detached, think for themselves, and not get swept away by emotion. In a most subtle manner he manifested class antagonism and how social conditions shaped people's lives. In chronicling political

dissent he hardly had an equal.

A self-proclaimed "private Marxist", Sen made films which were unapologetically political. His 1969 cult classic *Bhuvan Shome*, a movie highlighting the rural-urban divide in India, is said to have pioneered the Indian New Wave. The movies that followed coincided with the large-scale political unrest throughout India, and they garnered him the reputation as a Marxist artist. Sen's anti-establishment films like *Interview*, *Ek Adhuri Kahani*, *Calcutta 71*, *Padatik*, *Chorus* – all were the direct bi-products of the Naxalite Movement in Bengal. This phase was immediately followed by a series of films where he shifted his focus, and instead of looking for enemies outside, he looked for the enemy within his own middle class society. Such films include *Parashuram*, *Ek Din Pratidin*, *Akaler Sandhane*, *Chalchitra* and many more. This was arguably his most creative phase. In many Mrinal Sen movies from *Punascha* to *Mahaprithivi*, Kolkata features prominently. He has shown Kolkata as a character, as an inspiration, as his El-Dorado.

Mrinal Sen has received various national and international honours including eighteen Indian National Film Awards. Alongside receiving the Dadasaheb Phalke Award, the highest award for filmmakers in India, Sen has also received lifetime accolades from the governments of France and Russia. He was one of the few Indian filmmakers to have won awards at the big three film festivals, i.e. Cannes, Venice and the Berlinale.
