East-Zone Pre-Republic Day Parade Camp, CIT, Assam

There are about 5300 NSS volunteers under West Bengal State University and 3 represent the university in All India East-Zone Pre-Republic Day Parade camp- 2021, at CIT, Kokrajhar, Assam. It is a matter of pride to NSS unit of our college that out of three students from the university two (Tonmoy Paul & Rupashree Bhattacharyya) were selected from our college.

National Integration Camp, SOA University, Odisha

Only 10 volunteers were selected from all over West Bengal in this camp, including one from our unit (Jayanta Paul). Our unit's Program Officer Dr. Rejaul Islam was In-charge as the contingent leader of the West Bengal NSS team. NSS teams from 25 states of India participated there. This was the largest NIC camp during the end of Covid-19

National Integration Camp, J.K. College, Purulia, West Bengal

Four volunteers from West Bengal State University had the opportunity to go to this camp. WBSU, NSS cell selected four people from our unit for active performance of our volunteers (Tonmoy Paul, Debojyoti Mondal, Keya Dhar & Subhangi Dey). This may be the all-time record in the history of the university in the future. It is very rare for our Unit to participate in two National Integration Camps almost simultaneously.

25th National Youth Festival, Puducherry

A total of two from West Bengal State University got the chance to participate in this festival organized in an all India context and both (Tonmoy Paul & Moumita Oraon) were active volunteers of our NSS unit. The program is online instead of offline at the last minute due to the return of new wave of Covid-19.

**Experience & Some Moment of NIC, Odisha -2021
as a Contingent Leader of WB NSS.**

The National Integration Camp held at SOA University in Odisha from 15th to 21st December 2021 was an incredible experience that promoted unity and harmony among diverse cultures and communities. With a total of 25 State NSS Teams participating, the camp provided a platform for young minds from different parts of the country to interact, learn, and grow together.

As the contingent leader of the West Bengal NSS Team, I was entrusted with the responsibility of leading my team towards fostering a sense of national integration and cultural exchange during the camp. The event kicked off with an elaborate inaugural ceremony where dignitaries from various fields delivered inspiring speeches emphasizing the significance of unity in a diverse nation like ours.

Throughout the week-long camp, we engaged in various activities and workshops that aimed at bridging the gap between different communities and understanding each other's cultures. There were sessions on folk dances and music, where we showcased the rich cultural heritage of our respective states. Additionally, we also participated in group discussions and interactive sessions that aimed to promote dialogue and strengthen mutual understanding among the participants.

One of the highlights of the camp was the cultural night, where each state's team presented a vibrant and lively performance showcasing their unique customs, traditions, and art forms. It was fascinating to witness the amalgamation of diverse cultural elements, which further enhanced the spirit of togetherness and national integration.

Apart from the cultural activities, the camp also focused on community service. We participated in various social outreach programs, volunteering for causes like cleanliness drives, tree plantation, and awareness campaigns. Engaging in such activities further instilled a sense of responsibility and empathy towards society in all of us.

The National Integration Camp at SOA University was truly a transformative experience for everyone involved. It provided us with a platform to forge lifelong friendships, embrace new cultures, and develop a deeper appreciation for the diversity that exists within our country. I am immensely grateful for the opportunity to lead the West Bengal NSS Team and contribute to the overall success of the camp. This experience has inspired me to continue advocating for national integration and contribute towards fostering a more inclusive and unified India.

Through folk dances, music performances, and group discussions, our volunteers showcased their talents and learned about the diverse cultures and traditions of others.
